

The Unstoppable Cooler Kits and Exhaust Fans for your home. They go on & on & on

WHY BUY AN INDOMA COOLER KIT OR EXHAUST FAN

We at INDOMA, understand your needs and also your environment. We are aware of the need of a robust, durable, heavy duty motor that can survive the intermittent & inconsistent power and still work cool to keep you cool.

QUALITY

Heavy gauge metal & high quality winding.

SUPERIOR FINISH

Special quality powder coating to give long lasting finish & corrosion resistance.

LVS

Designed to run on low voltages & fluctuations too.

ENERGY SAVER

Saves time, saves energy, saves money

MADE FOR INDIA

Designed for Indian conditions. The motor works cool & keeps you cool.

MODELS

Exhaust	12", 15", 18", 24"
Kits	16" Counter Clockwise, 20" Clockwise
Motor	D-110, D-127, HD-127

TECHNICAL SPECIFICATIONS

MODEL	Exhaust				Cooler Kit		Motor
	12"	15"	18"	24"	16"	20"	127 D
Rotation	CW	CW	CW	CW	C-CW	CW	CW
Blade leaf	4	4	4	4	6	3	N/A
Wattage	80	150	370	550	170	170	170
Speed	1	1	3	1	3	3	3

FEATURES

- 3 Speed motors are designed for 1250/1310/1360 RPMs.
- Low voltage start of 40-50V for exhaust fans and 80-100V for cooler kits.
- Even at 190V, RPM drop is only 50RPM. Thus even in low voltages, you get apt cooling.
- Every motor undergoes 3 Stage testing to ensure a trouble free long life.
- Designed specifically for Indian climate conditions.

INDOMA - KNOW US BETTER

We at INDOMA always believe in doing something different. We understand our country and our peoples' needs. We revolutionized the desert cooler industry in 2002 by introducing  the world's first submersible pump for cooler industry. We also brought the world's first shock safe immersion rods and have recently launched revolutionary HAWA HAWAI coolers for the scorching Indian summers.

Understanding the needs, we have developed these motors for robust heavy duty usage for all consumers whether it be rural environment or cosmopolitan.

WE ALSO BROUGHT TO YOU THE REVOLUTIONARY

SUBMERSIBLE PUMPS

HAWA HAWAI COOLER

ELECTRIC / GAS GYSERS

IMMERSION WATER HEATERS

FORCE 30
